

# How to use Facility

- Scholars and scientists can come in-person or send samples along with a letter from the head/guide in a letterhead duly signed and sealed for registration stating that the analysis is meant for research purpose.
- The letter should be addressed to

The Director

ICAR-NRC Seed Spices, Tabiji

Ajmer -(Rajasthan) 3050 206

email: [nrcss.director@gmail.com](mailto:nrcss.director@gmail.com), Phone:0145-2684400, Fax:0145-2684417

- In all cases i.e university/college/national lab/industry, the letter to the Director, ICAR-NRCSS should also consists the following undertaking “In any event, the content of the report/bill is meant for our information only and we will not use the content of this report/bill for advertisement, evidence of litigation”.
- In the letter also mention that “you agree to acknowledge SAIF, ICAR-NRCSS, in your publication, thesis if the SAIF instrument results are incorporated/used in them”.
